Re: Public Body Project Approval Determination

Dear Mr. Marks:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the City of Everett has met the criteria established in Chapter 494, Laws of 2007, (2SHB 1506) for public body Project Approval.

The City of Everett is hereby authorized to utilize the GC/CM alternative contracting procedure for the City of Everett Water Pollution Control Facility, Phase C Expansion project located in Everett, Washington.

Under the terms of the law you will be required to submit project data to CPARB during the delivery of the project. Please identify your point of contact for supplying required project data information to CPARB staff person, David Edison, at david.edison@ga.wa.gov. Your point of contact will be notified when CPARB's data collection system is ready for input.

Congratulations on the approval of your application and good luck with your project!

Please contact Bob Dixon at (360) 902-7265 if you have any questions regarding this process.

Sincerely,
